

GETTING ON THE CSF NETWORK

Mac OS X

ABOUT DISKS...

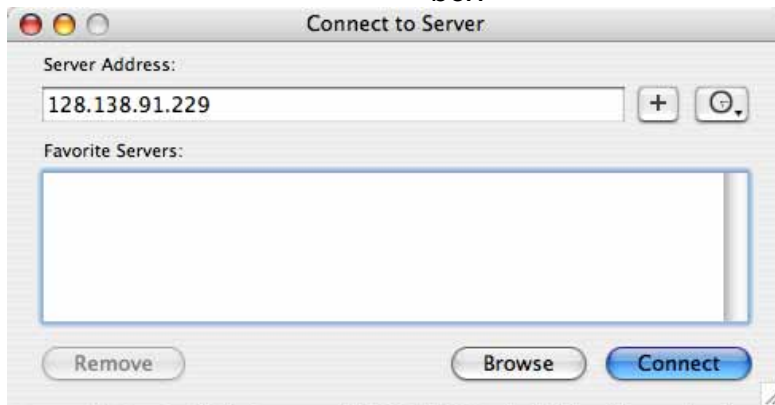

The T&D Network houses a "Server" that provides shared disks for the department, including: The T&D Hard Disk, CSF Disk, Students Disks and specialized project disks.

CONNECTING TO THE T&D NETWORK:

1. In the Finder, go to the "GO" menu and select Connect To Server

2. Type the IP of the server 128.138.91.229 in the "Address" box

3. Hit the "Connect" button

4. Type your name and password. This is supplied by Steven, and is different from your identikey or e-mail passwords.

5. Hit the "Connect" button

6. Choose from the available servers and hit "OK".

Can't find the disk you're looking for?

Not all users have access to all disks- see Steven if you need additional access.

Off- Campus

Follow these instructions along with "VPN" instructions on CSF Computing page.
